Your name is insignificant. And you don't need to know mine.

Why are you here? Seriously, I'm trying to clean.

Why don't you go somewhere else and see what you can find?

I DON'T MAKE COMMISSION, SO I DON'T CARE!!!

Computer Lifestyle Statements/Questions

TELL THEM TO LISTEN EVERY TIME!!!

All computers are the same...it really doesn't matter who uses it.

Why exactly did you pick the day I was scheduled to buy a computer?

Just admit that you have no idea how you're going to use this.

How you get internet is your problem. It involves way too much work for me to have it set up for you, and I'm just not that convinced that you DESERVE internet.

I can suggest a new location for your stupid computer.

Don't get enough Best Buy in the store? How about letting one of our techs come to your house? I'm pretty sure the old rape charges were dropped.

You don't have enough credit for our card.

Every computer is technically "on sale."

The only promotion I know about is the one we get after a year.

We reserve Reward Zone memberships for customers we actually like.
